Anunnaki "The fallen of the sky" pays homage to the spirit of the 1980s/1990s' fantastic action serials and indie horror Z movies, mixing a pseudo-vampire theme with the conspiracy theories of a new world order established by extraterrestrial beings. Claudia, a university student, and Victoria, an international supermodel, are submerged in the present where a power war rages between two clans of Anunna beings who have been fighting for centuries since their extraterrestrial lineages settled in Sumer more than 5,000 years ago.
