Ada is a 24- year- old YouTuber (Adalamadrina) who, while online, claims to be an expert in all things sex and love. But, in real life, not only does she lack confidence and have few relationships, she even struggles to speak to her gym coach, who she happens to be madly in love with. Everything will change when she sets an unimaginable goal: to get him to suck her tits and, because why not, take her virginity as well.
