TV audience. That's what broadcasters are after, and the formula for success, the best way to get people hooked, is clearer every day: an uncensored, live-streaming reality show where contestants get humiliated. The Amazing Luciferio's Show is a film about the craziest and most successful TV show in history, a macabre caricature of trash TV following The Amazing Luciferio, an unscrupulous showman that will do anything for his audience.

Trying their hand at this contest and hoping to win the six million euros up for grabs is a family scathed by serious economic and personal problems. To win, they will need to pass one of the show's six rounds.
