S7 will again provide a reflection of the socio-political developments within its time frame. We will laugh and cry alongside our beloved Asturians once more as they break their backs to defend their neighbourhood, their family and their friends. New characters, too, will bring their own mysteries and intrigue, together igniting that spark that is so vital to the genre: love and indifference, jealousy and envy, passion and suffering, shame and redemption coexisting all at once... alongside revenge, of course. For this season, the main settings will be the hotel business world of the La Vega family, the satirical magazine Hasta luego, the King's Road Club and the office of Justo Quintero.
