360° Short Film

Ágata and Lorenzo are a married couple who goes out on their sailing boat on a Sunday. They spot a castaway in the middle of the sea and pick him up. The stranger doesn't speak their language and behaves in a strangely friendly and close way, especially with Ágata. The couple decides to head for mainland, but the stranger tries to take the rudder in a kind but forced way. The stranger continues to bother Ágata and after repeated tense situations, Lorenzo takes matters into his own hands. Finally, the ship will dock at the port but with its deck stained with blood.
