Colour/ 4 K/ English

After The Fire is a searing, sociopolitical drama set in a contemporary London that's reeling from the aftermath of an avoidable tragedy. Miles has lost everything in the fire, including his beloved daughter. As a taxi driver on a zero-hour contract, he is at the mercy of a system rife with class division in a community assailed by indignities. The film follows his journey as he tries to find his way back to a life worth living. He is a man on the edge, and it's only a matter of time before he cracks. Miles will end up on trial, bringing societal inequity into sharp focus and reminding us of Britain's glaring, ironic contradictions.
